

Proposition 136

Provide for Challenges to an Initiative Measure or Constitutional Amendment after the Filing of the Measure with the Secretary of State

Proposed by AZ Legislature—AZ Constitutional Amendment

A “**yes**” vote would amend the AZ Constitution to allow a person to bring a lawsuit to contest the constitutionality of a ballot initiative as long as it is “at least one hundred days before the date of the election” in which it will be placed on the ballot. If the initiative is found to be in violation of either the State or the US Constitutions, then it will not be printed on the ballot.
