

Proposition 138

Allow for tipped workers to be paid 25% less per hour than the minimum wage if any tips received by the employee were not less than the minimum wage plus \$2 for all hours worked

Proposed by AZ Legislature—AZ Constitutional Amendment

A “yes” vote would amend the AZ Constitution to allow employers who have workers who receive tips to be paid 25% less than the current minimum wage.

Currently businesses can workers who receive tips \$3 less than minimum wage. If the current measure passes, employers could pay employees \$3.58 less than the minimum wage.
