

# Prop 312

**Requires Municipalities to Give Tax Breaks to Property Owners Who Spend Money to Mitigate Problems Caused by Encampments of Unhoused People Near Their Property**

**Proposed by AZ Legislature**

A "yes" vote would allow for property owners to apply for a property tax refund in certain circumstances, including in instances if the city or locality in which the property is located does not enforce laws regarding illegal camping, loitering, obstructing public thoroughfares, panhandling, public urination or defecation, public consumption of alcoholic beverages, and possession or use of illegal substances. *Source: Balletpedia*

Cities have argued previously that it would put them in an "impossible" legal situation. *Source: AZ Mirror, 7/10/2024*
