

Prop 314

Makes it Illegal for a Person Who is An Unlawful Immigrant to Enter Arizona for a Location Other Than an Official Port of Entry

Proposed by AZ Legislature

A "yes" vote would allow for state and local police to arrest noncitizens who cross the border unlawfully, allow for state judges to order deportations, require the use of the e-verify program for some public governmental programs and employment eligibility purposes, and make the sale of fentanyl a Class 2 felony if a person knowingly sells fentanyl resulting in the death of another person. *Source: Balletpedia*

Opponents have dubbed this measure "SB1070 2.0" in reference to the controversial law passed by Republicans in 2010. Groups like the ACLU said it harms those seeking asylum and fleeing from violence. *Source: AZ Mirror, 7/10/2024*
